

The Cour de cassation launches its International Newsletter

08/02/2024

With its International Newsletter, the Cour de cassation aims to open up to the world and raise awareness of the French judicial model.

The Cour de cassation launches its International Newsletter.

In this new publication, you will find a selection of rulings issued by the Cour de cassation on issues of common interest across borders, as well as a range of legal and institutional educational resources.

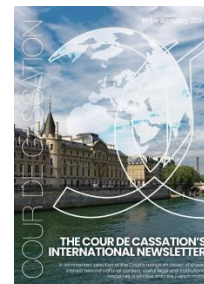

Clémence Bourillon, Judge and Head of the International Relations Department, presents the International Newsletter
